Diseño de producción-Dirección de Arte- Producción

www.eleonorabarajas.com

Production designer with extensive experience in the world of Colombian audiovisual media, participating in national and international productions for 25 years.

My approach focuses on fusing artistic vision with a deep knowledge of production, creating impactful visual and narrative experiences.

My career in diverse projects has allowed me to develop management skills, art direction, budget management and configuration of an ideal crew that generate solutions and enrich each project in which I participate.
